

JOSH EXPERIENCE HOME INTELLIGENCE

When we set out to create Josh, we wanted to design the perfect smart home experience. Josh is immensely powerful, yet simple to use for every member of the family. With a beautiful app for control and customization, as well as advanced voice control to offer unparalleled convenience, Josh is built to suit any lifestyle. We believe privacy is non-negotiable in the home, and Josh has been engineered to protect your data and earn your trust. We are excited to share the vision and introduce you to Josh!

Tim Gill, CTO

Alex Capecelatro, CEO

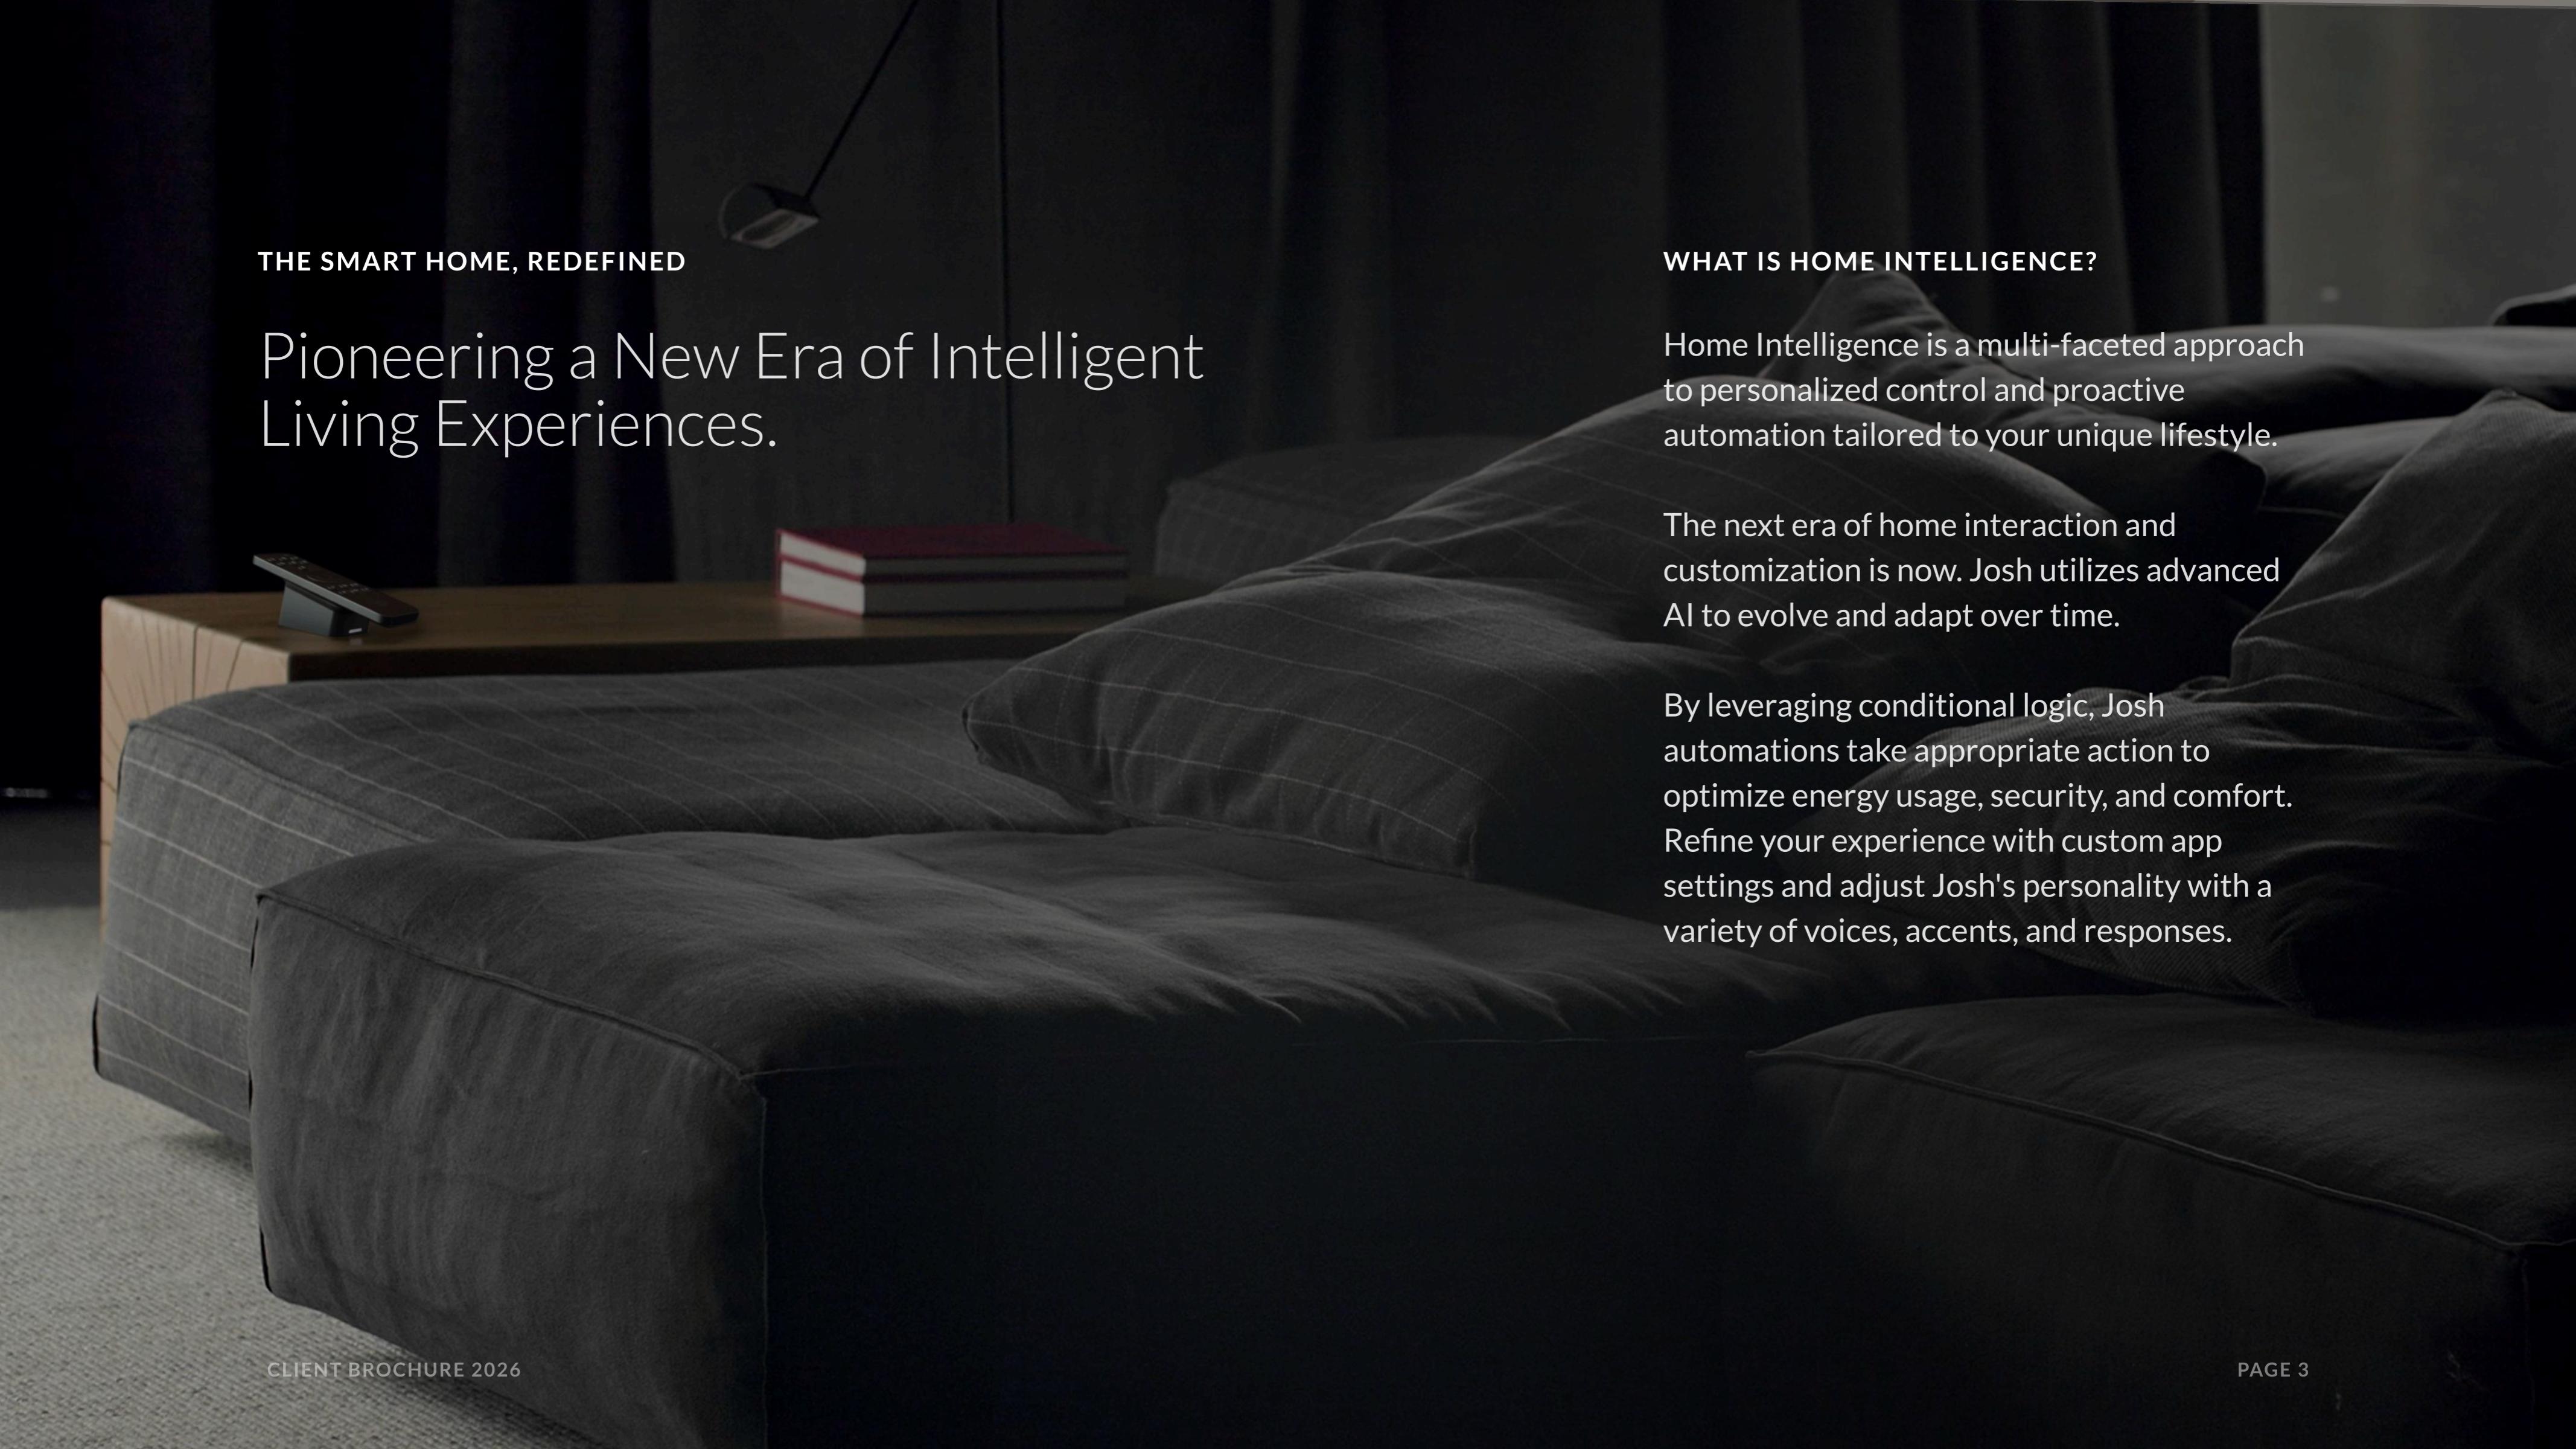

HOME INTELLIGENCE

Live smarter—Josh takes care of the little things in life so you can focus on what is important.

With Josh, elegant design seamlessly blends with technology to provide a simplified and secure control platform. Enjoy efficient smart home accessibility with the Josh App or conveniently set the mood with contextual voice commands. Josh knows its role and continues to adapt, enabling users to freely interact with their surroundings and automate their lifestyle in whatever way feels most natural.

THE SMART HOME, REDEFINED

Pioneering a New Era of Intelligent Living Experiences.

WHAT IS HOME INTELLIGENCE?

Home Intelligence is a multi-faceted approach to personalized control and proactive automation tailored to your unique lifestyle.

The next era of home interaction and customization is now. Josh utilizes advanced AI to evolve and adapt over time.

By leveraging conditional logic, Josh automations take appropriate action to optimize energy usage, security, and comfort. Refine your experience with custom app settings and adjust Josh's personality with a variety of voices, accents, and responses.

CRAFTING AN INTELLIGENT SPACE

Seamless Sophistication

Josh is designed to empower every member of your family with intuitive control and intelligent assistance. Through touch, text, or natural voice commands, Josh conveniently consolidates your home intelligence experience onto a single interface.

CATEGORIES OF CONTROL

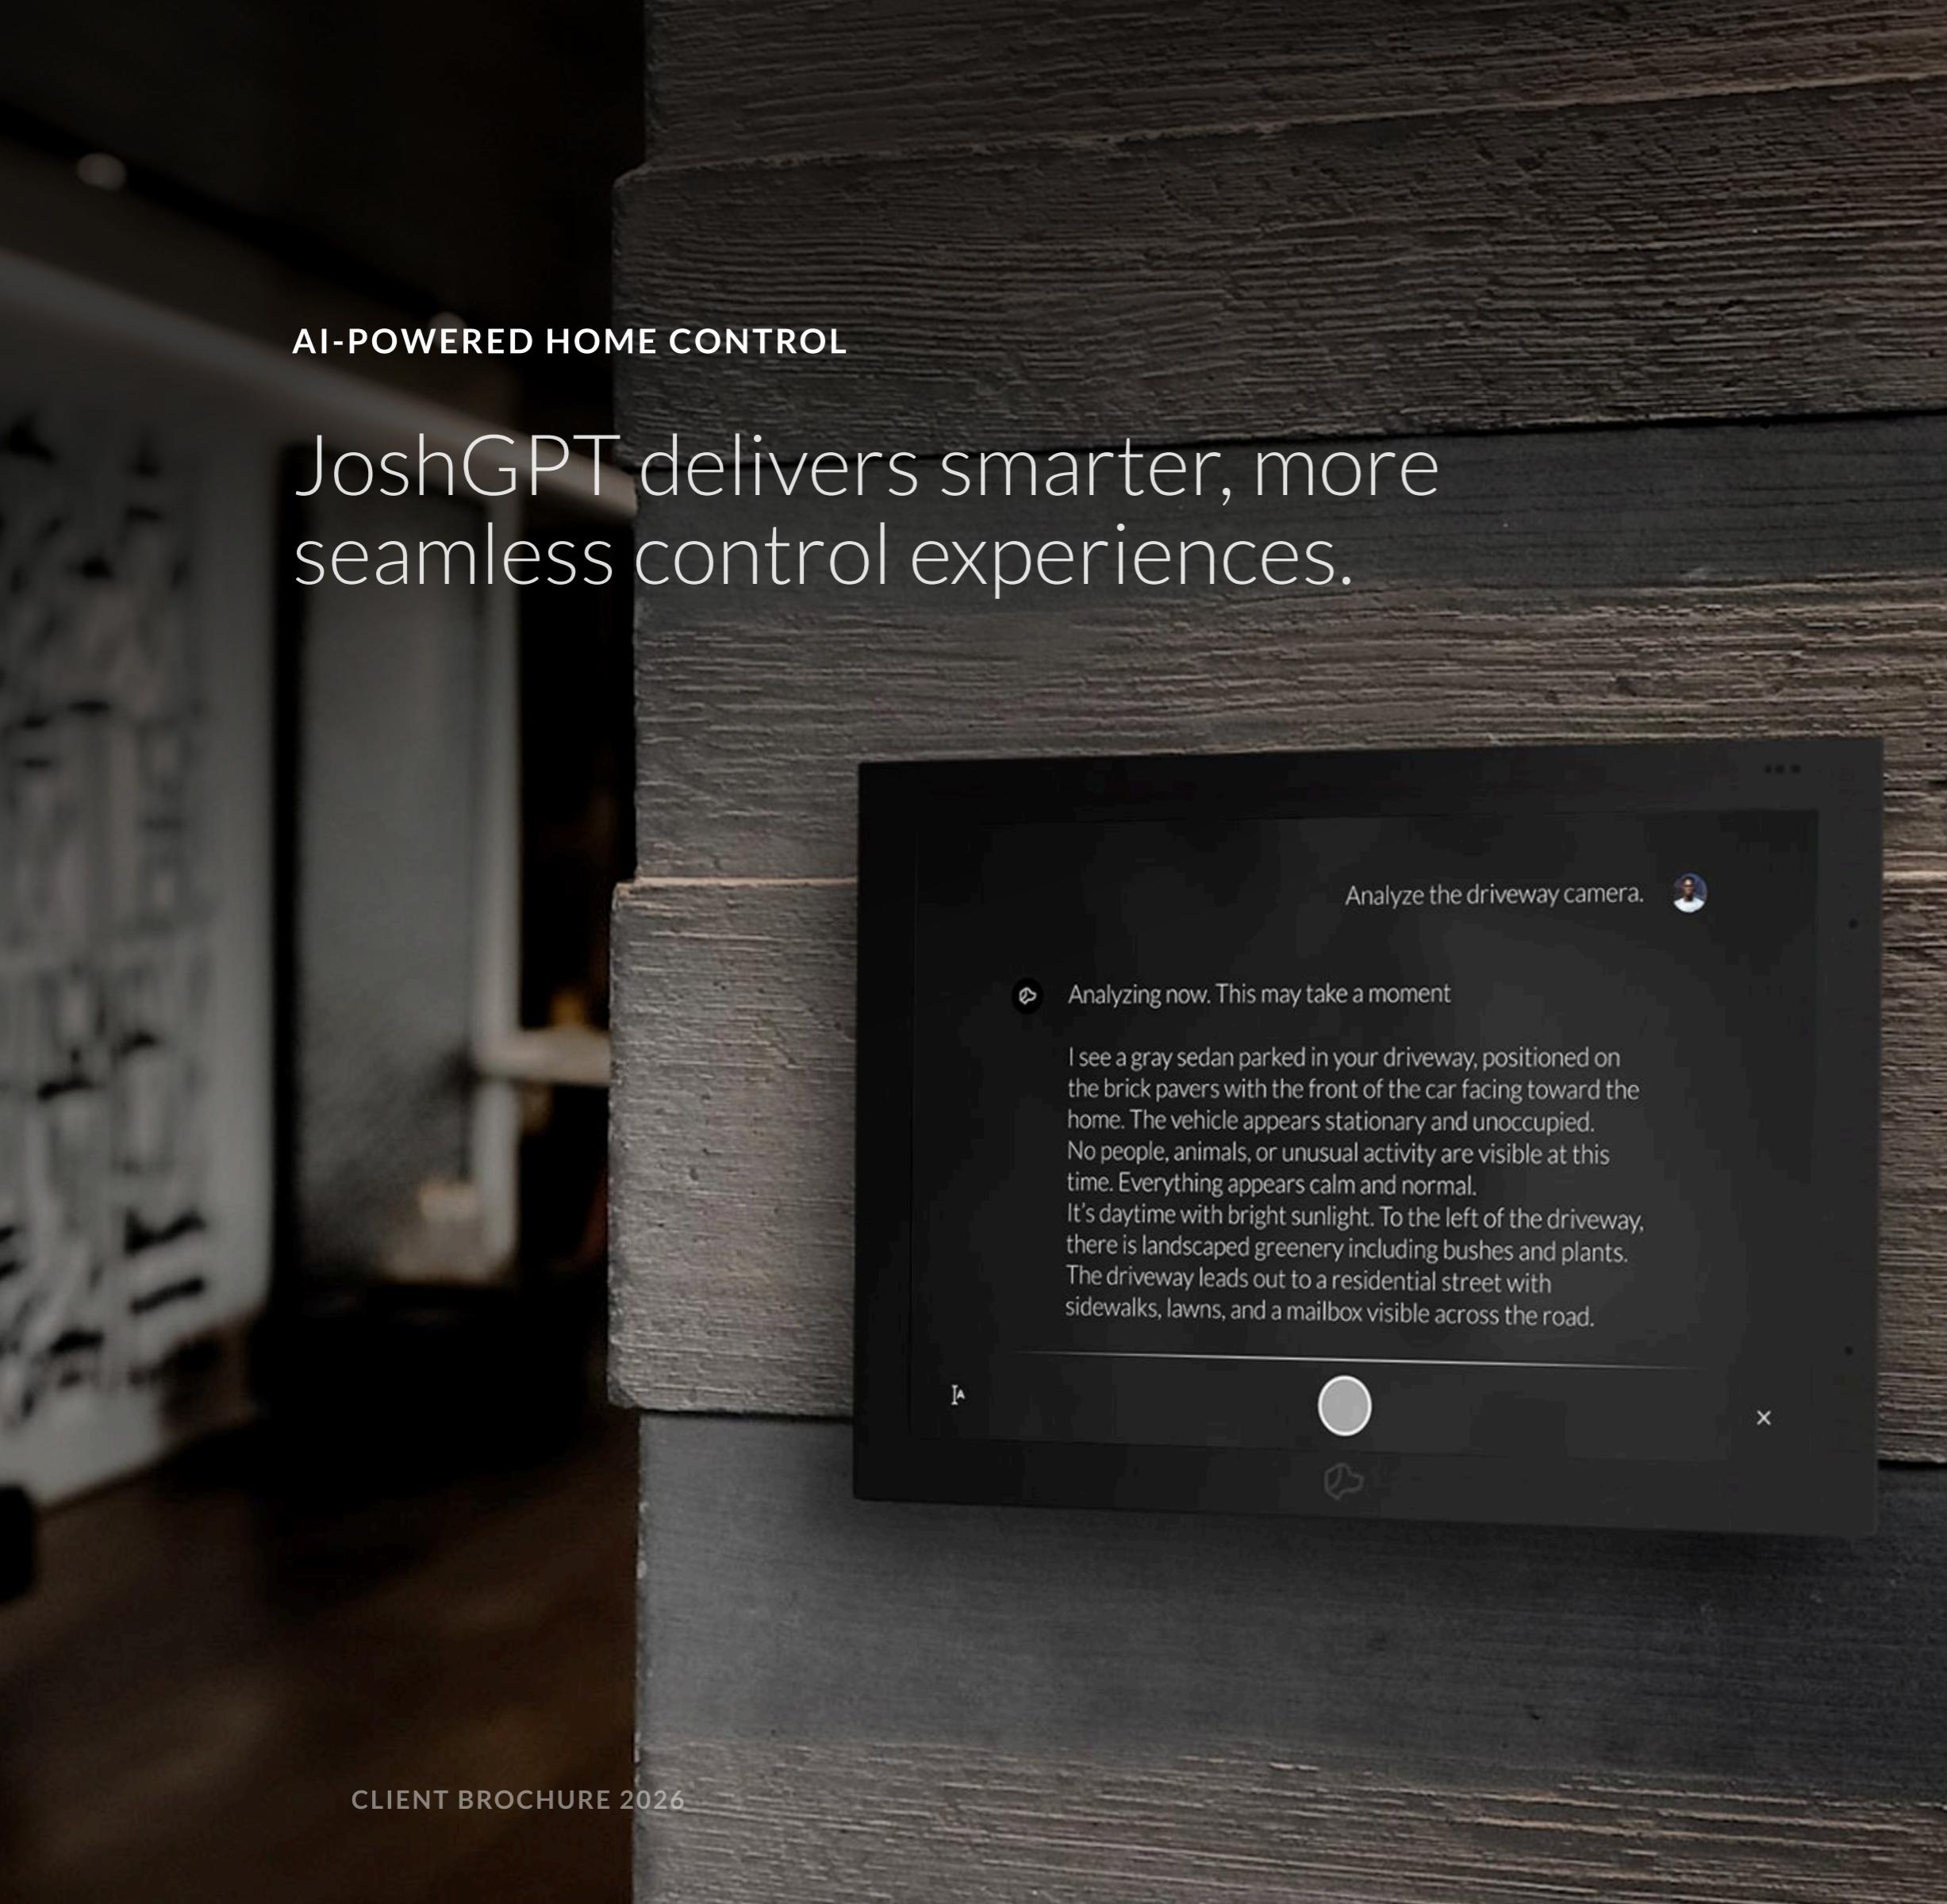

JoshGPT empowers everyone with access to information and generative content across limitless use-cases. Whether you are checking sports scores and schedules, curious about the inspiration behind a favorite song, or want help planning the logistics of your upcoming vacation, JoshGPT provides intelligent assistance using deductive reasoning and trillions of data points.

AI-POWERED HOME CONTROL

JoshGPT delivers smarter, more seamless control experiences.

LIGHTING

Think of a color palette or motif to set any vibe without having to create preset scenes.

"Hey Josh, set the lights to the colors of a Caribbean sunset"

MUSIC

Simply describe what you would like to play and Josh will understand the request.

"Hey Josh, play that song about drinking piña coladas in the rain"

SURVEILLANCE

Instantly receive detailed descriptions and view high-quality live streams with Josh Vision's advanced camera analysis.

"Hey Josh, analyze the front door camera"

JOSH INTERFACES

Your Environment

Designed to meet you wherever you are.

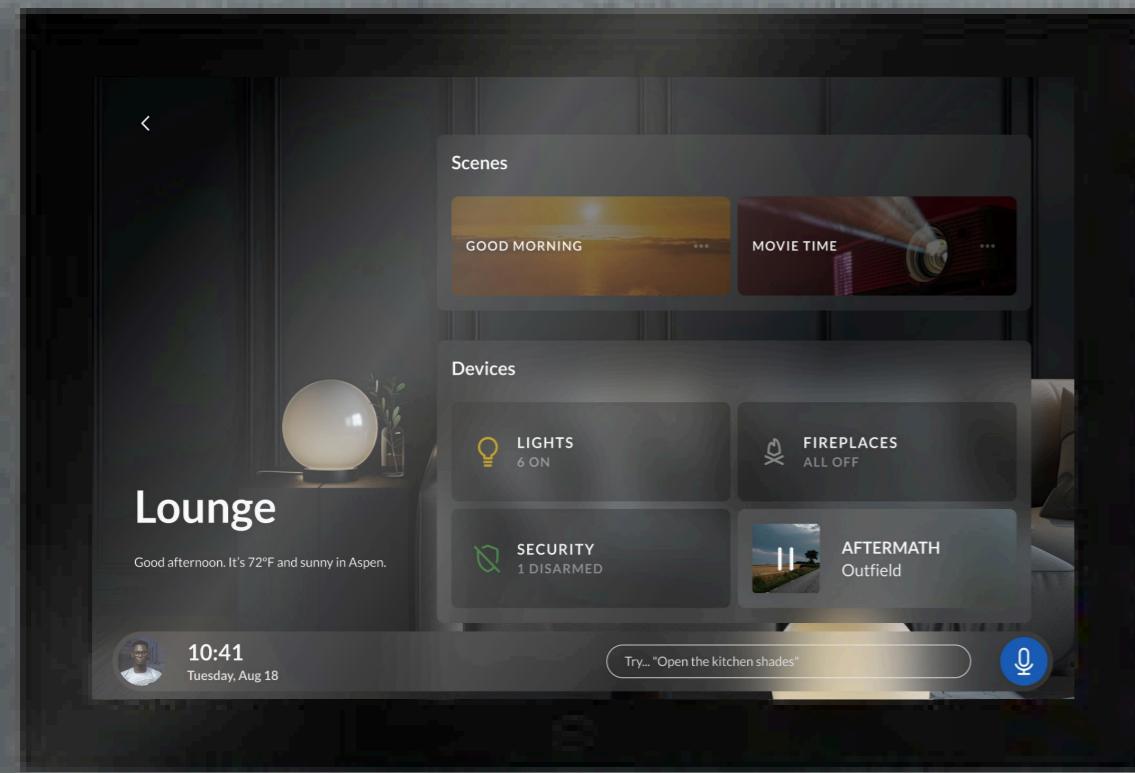

JOSH APP

The Ultimate Control Center for the Modern Home

Access your home from anywhere with an intuitive control experience designed for everyday living. Monitor devices, adjust settings, and ensure your space is ready whenever you arrive.

Everything is exactly where it should be. Navigate effortlessly between rooms, devices, and scenes through a clean, natural interface.

With powerful personalization tools, Josh adapts to how you live. Customize rooms, rename devices, and refine settings to create a smart home experience that feels uniquely yours.

JOSH TOUCHSCREEN

Control at Your Fingertips

Everything in your smart home is exactly where it should be. Take control of your surroundings with a specially designed room-level view or easily access your entire property.

Available in a polished black and ceramic white finishes, Josh Touchscreen's high-performance IPS glass screen in 8" or 10" perfectly complements a modern home's decor.

The edge-to-edge display features capacitive touch, a quad-symmetric core processor, as well as proximity and light sensors.

JOSH EDGE

Designed for Everyday Living

While Josh Edge feels instantly familiar, it reimagines the remote control's place in the modern smart home.

Harness the power of home intelligence. Adjust nearby devices, set the mood, or speak naturally to Josh Edge with a simple button press.

Tailor each Josh Edge to its dedicated room with quick access and customizations to enjoy connected living to the fullest.

JOSH MICRO

Command Your Environment with Style

Purpose-built for luxury living spaces, Josh Micro is a beautiful and powerful device that can be placed in any room to provide natural control over your environment.

Available in Coral White and Onyx Black.

JOSH NANO

Designed to Disappear

The smart home's first Architectural Microphone—robust technology meets uncompromising design to seamlessly blend into the decor of any room.

Josh Nano is location-aware, enabling contextual commands to set the mood in every room of your home. Effortlessly tune lights, adjust shades, play music, and more!

Available in Coral White, Jet Black, and Palladium White.

SEAMLESS SCENE CREATION

Automate Your Lifestyle

AI Scenes curate recommended actions based on each home's devices, introducing meaningful automations to optimize your daily routines.

Simply type or voice-dictate a scene's activations and conditional automations using the power of natural language. Create schedules, custom actions, invocations, responses, and more to uniquely tailor your Josh experience.

SPEAK NATURALLY

Josh understands natural speech—just say what's on your mind.

Speak with your home in whatever way you feel most comfortable—Josh understands conversational commands to nearby devices and throughout your living spaces.

*"OK Josh,
"Open the shades halfway"
"Raise the blinds 50%"
"Set the curtains to 50%"*

ENVIRONMENTAL CONTROL

Illuminating Elegance

Josh enables the organic and architectural beauty of every environment to shine brightly. Set the perfect mood lighting with access to a palette of over 16.7 million colors or bathe your surroundings in natural daylight with seamless shading control.

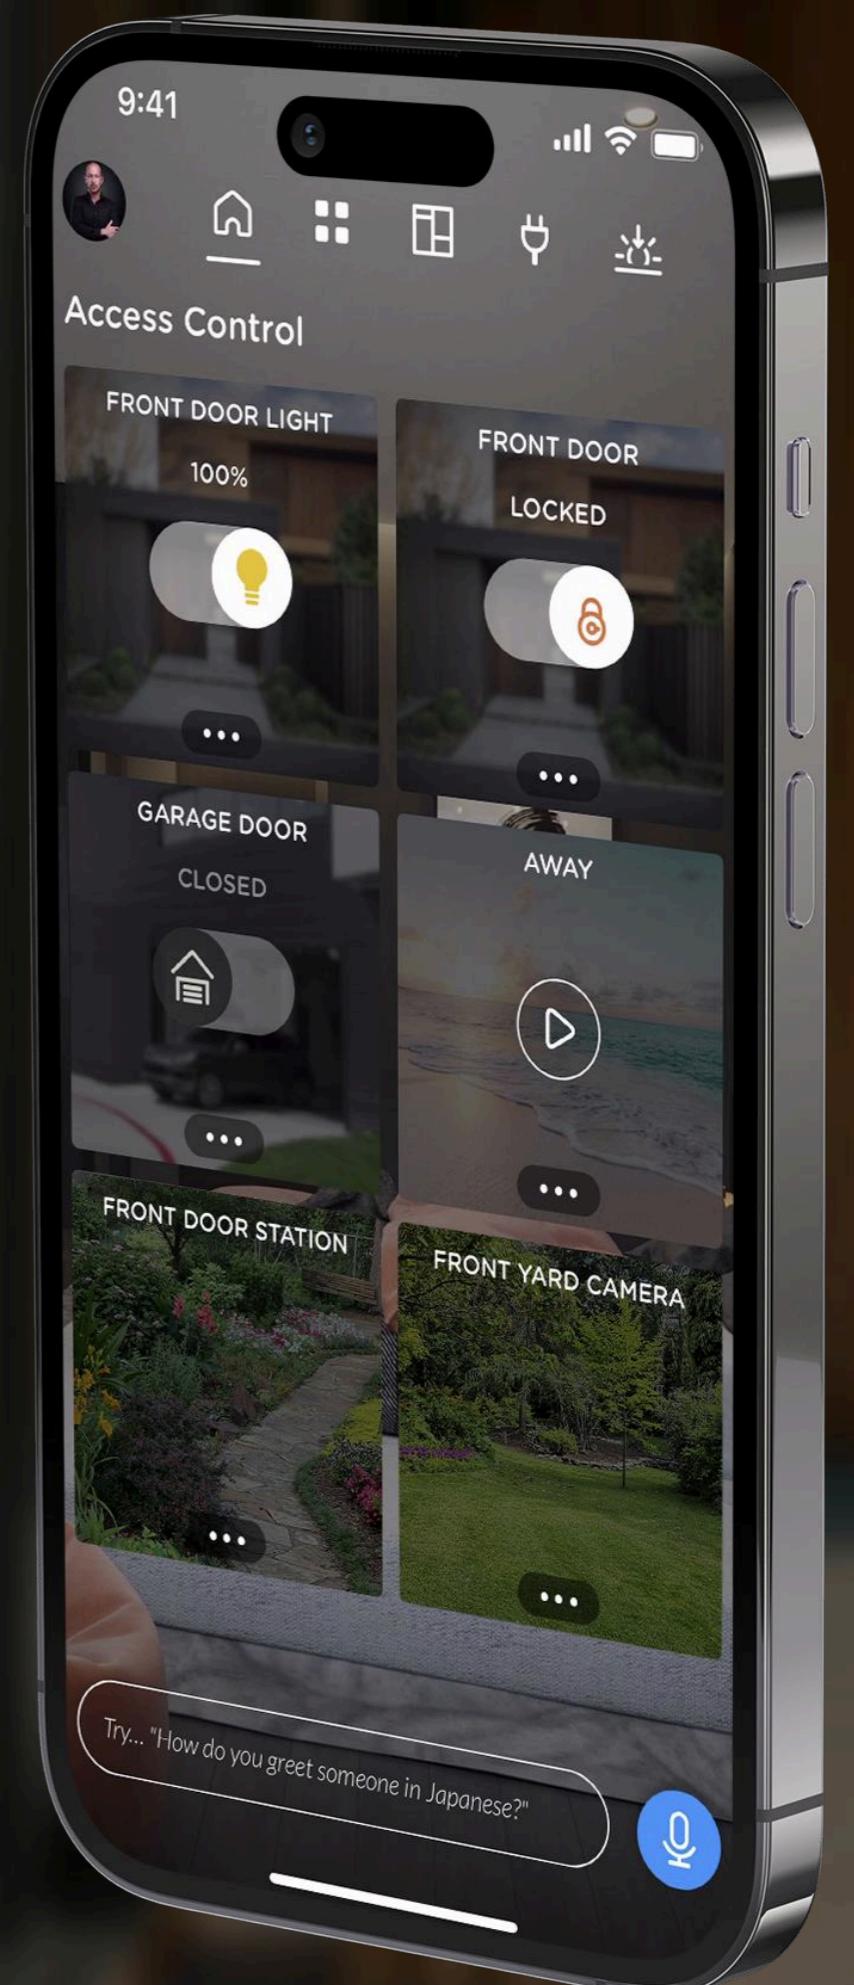

“Hey Josh, set the lights to the colors of a Caribbean sunset.”

ACCESS CONTROL

Protecting Your Peace of Mind

Josh secures your home with remote monitoring, notifications if unknown activity is detected, and rapid responsiveness. Take swift action through the Josh App or with voice commands to deter any unwanted intrusions.

“Hey Josh, what do you see at the front door?”

LIVE COMFORTABLY

Effortless Climate Control

Some like it hot, others like it cold, and most land somewhere in between. Since everyone has their own unique microbiome, climate is among the highest ranking variables for overall well-being and productivity in our living spaces. Josh empowers you to optimize your thermal comfort with precise environmental control.

"Hey Josh, it's too hot in here."

IT'S SHOWTIME

Watch any show, movie, channel, or video clip.

Cue up your desired content simply by asking for it. Josh turns the TV on and chooses the right streaming or cable service for a seamless entertainment experience.
