Smart Home Design Framework

BUILDING YOUR DREAM HOME

The Josh Smart Home Design Framework

Josh provides unmatched value and smart home scalability through partnerships with best-in-class brands. This guide serves as a template for Josh customers seeking the most robust, reliable, and innovative experience in their connected living spaces.

 LIGHTS

 LUTRON

Illuminate your home lighting experience with Josh by precisely managing all of your preferences and schedules. Set the right brightness and color to create the perfect atmosphere for any occasion.

"Ok Josh, Set the Great Room lights to cool white at sunset"

"Ok Josh, Dim the chandelier to 30% brightness"

AUDIO DISTRIBUTION

SONANCE

Fill your living spaces with high performance audio while maintaining the integrity of your home's architectural and interior design with Sonance.

"Ok Josh, Group the Living Room music with the Primary Bedroom"

"Ok Josh, Listen to my part playlist in the great room, entryway, and backyard"

CLIMATE

Effortlessly set the ideal temperature, dictate your heating or cooling schedules, and adjust fan speeds with Ecobee climate control.

"Ok Josh, Set the thermostat to auto"

"Ok Josh, How hot is it inside?"

"Ok Josh, Make the living room warmer"

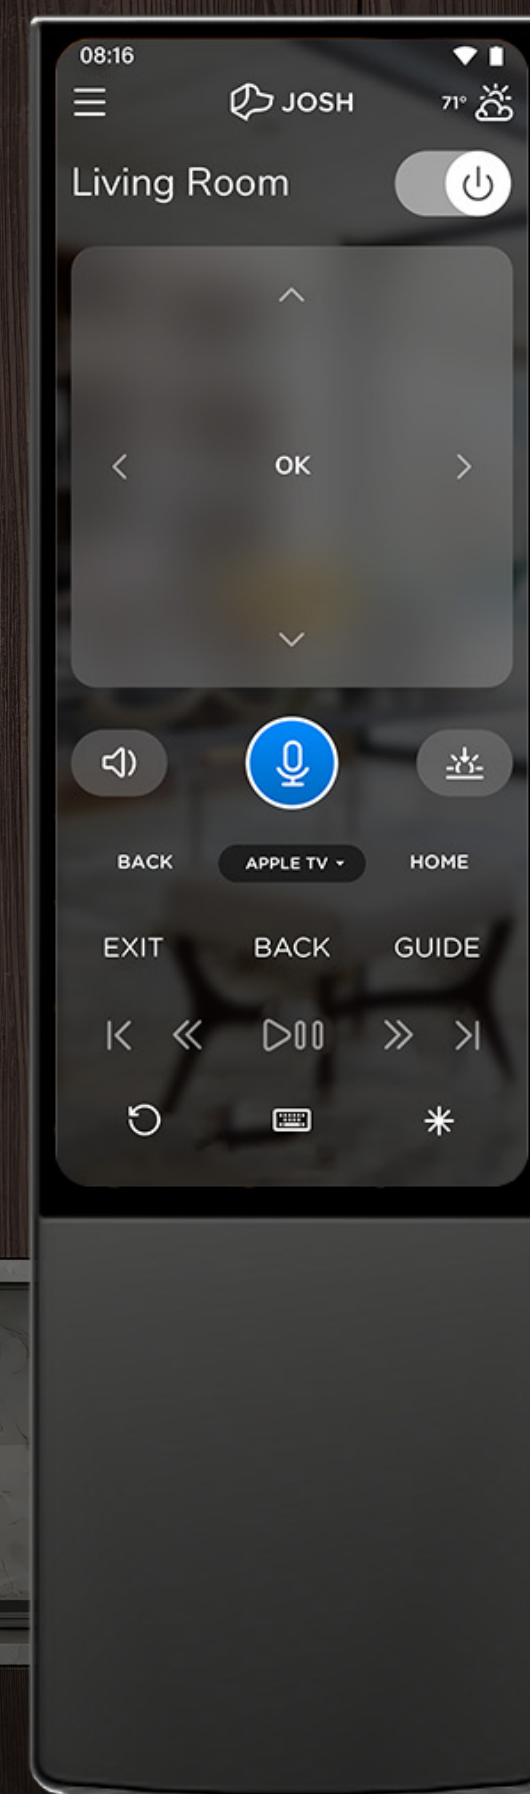

SONY

Transform your home entertainment
experience like never before with
seamless control of Sony televisions.

"Ok Josh, Turn off the TV in 30 minutes"

"Ok Josh, Turn the TV up a little"

Josh Remote

STREAMING VIDEO

Roku  tv

Tune in to all your favorite shows, movies, and streaming services with ease. Utilize the Josh App to browse through apps or discover your preferred content through voice commands. Josh provides comprehensive control for Apple TV and Roku.

"Ok Josh, Watch Breaking Bad on Netflix"

"Ok Josh, Open Disney+"

SATELLITE & CABLE

dish

Cue up live TV content simply by asking for it. Josh turns your TV on and takes you to your channel of choice thanks to deep integration with Dish.

"Ok Josh, Watch channel 12"

"Ok Josh, Turn on ESPN at 7pm tonight"

 PROJECTORS

SONY®

Elevate your home theater experience
with cinema quality projection powered
by Sony.

"Ok Josh, Turn on the projector"

*"Ok Josh, What movie won the first
Sundance film festival?"*

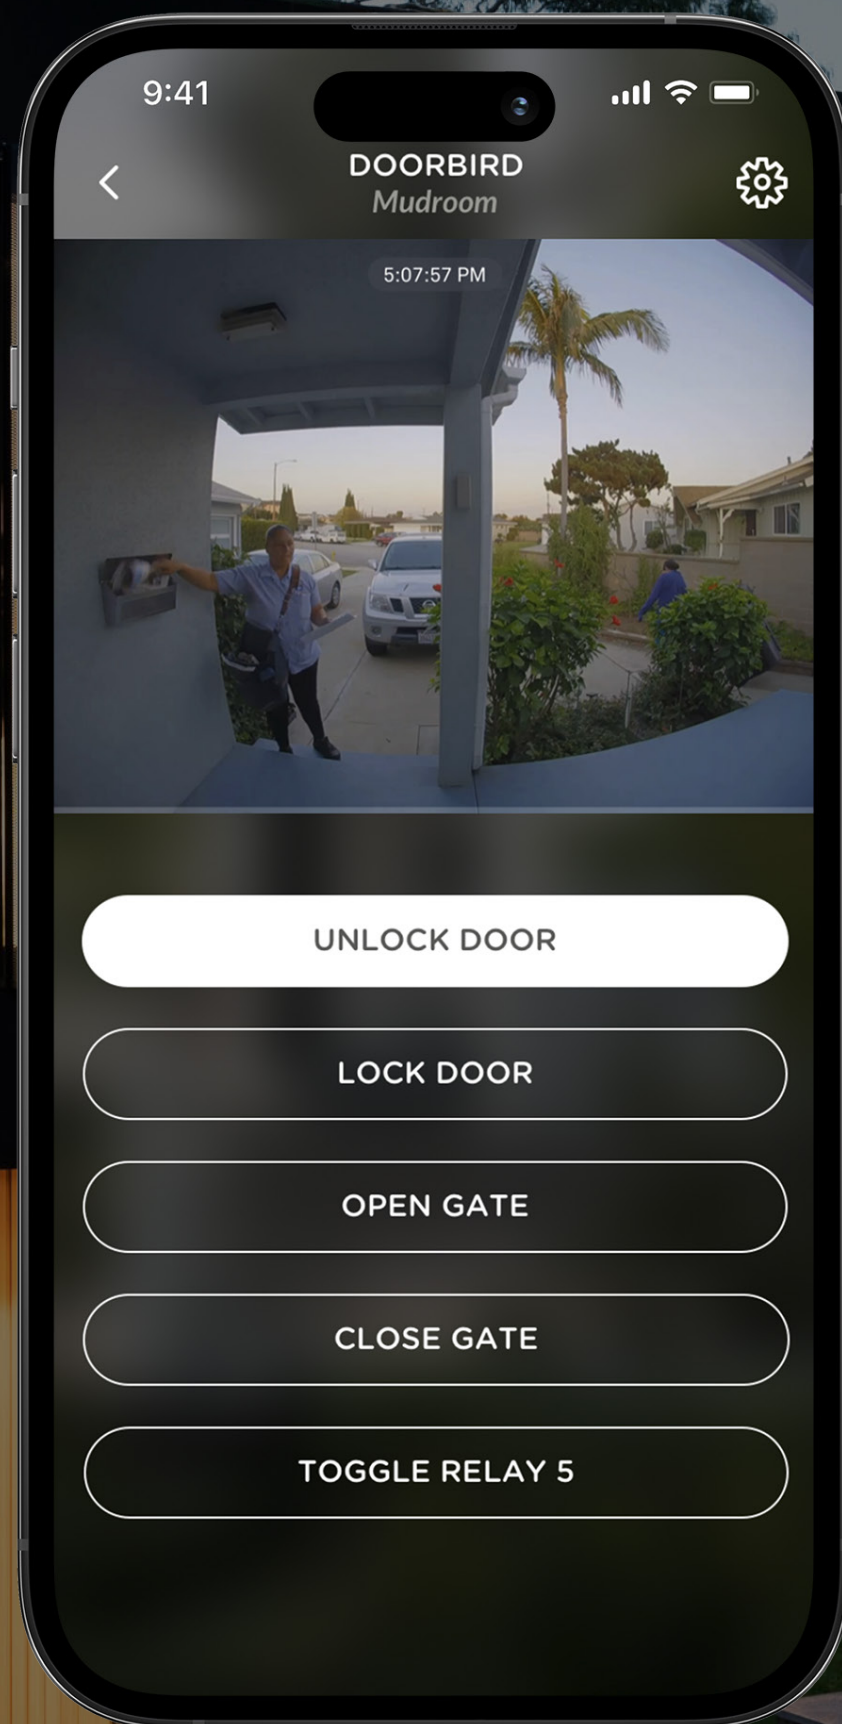

LOCKS

SCHLAGE

Whether you are across the globe or around the corner, ensure your home is secure with Schlage locks. Setup automations and schedules to automatically lock down your property.

“Ok Josh, Lock the entrance and back door at 10pm”

“Ok Josh, Are my doors locked?”

DOOR STATIONS

Check in on your home when on-the-go thanks to instant door station notifications. DoorBird offers live surveillance, motion detection, and access control device integration.

"Ok Josh, turn on the patio light"

"Ok Josh, Open the entry gate"

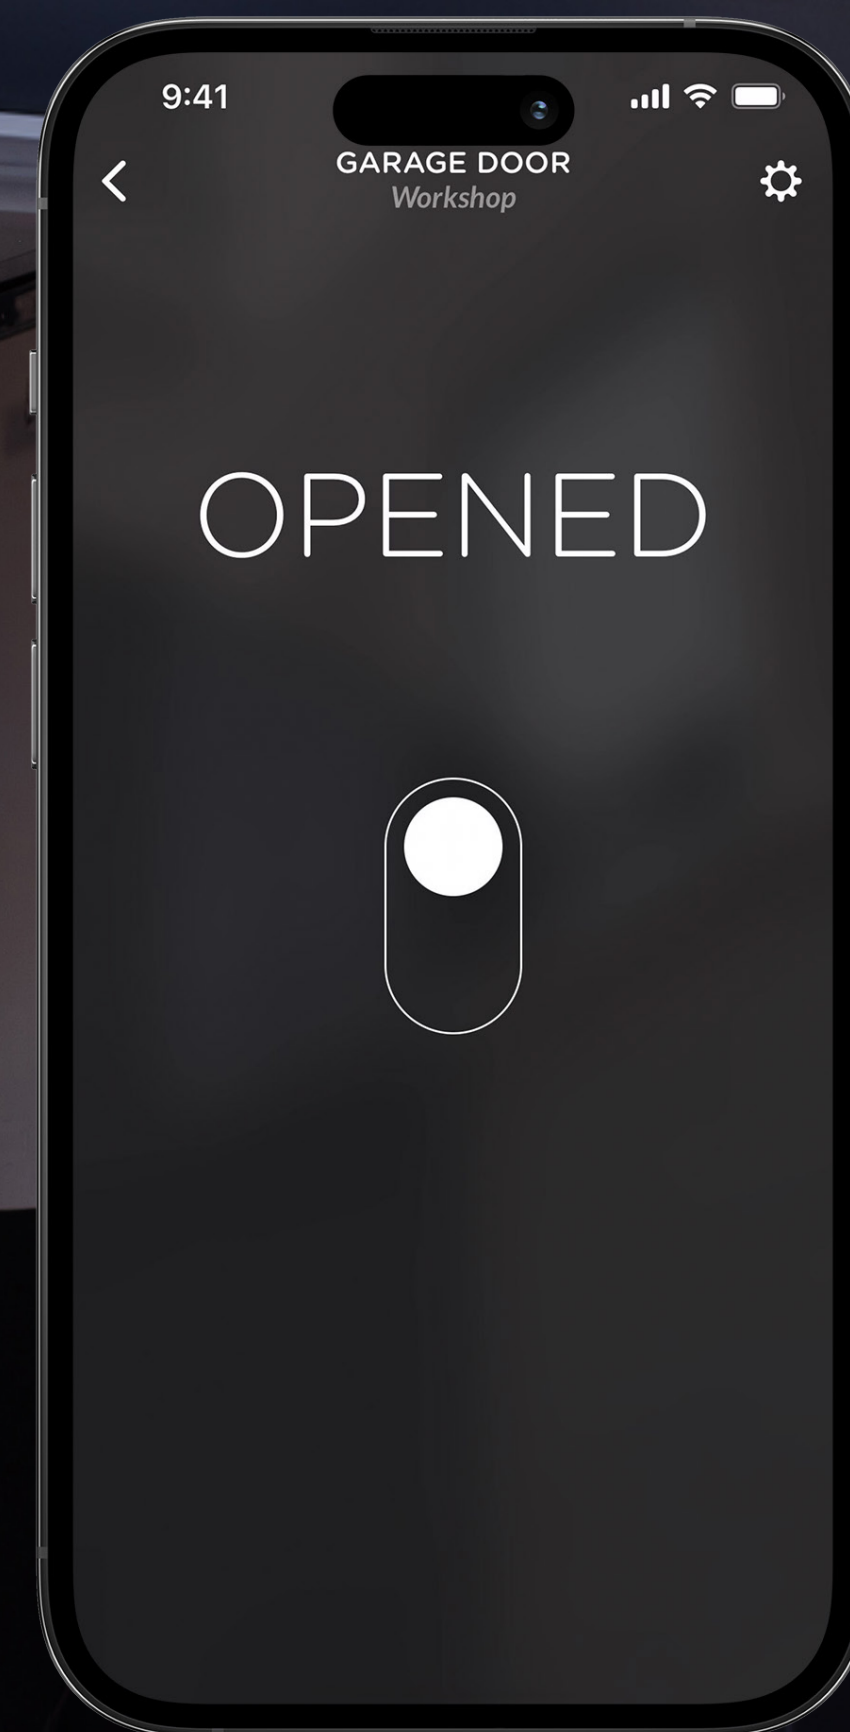

GARAGE DOORS

Conveniently manage garage, gate, and driveway accessibility with Genie. Make sure your property is protected when coming and going with conditional triggers, scheduled automations, and seamless control.

"Ok Josh, Open the Garage doors"

"Ok Josh, Close the Garage doors in 15 minutes"

CAMERAS

Keep an eye on your property with live camera feeds courtesy of ICRealtime. Pin camera views to custom dashboards for quick access whether you are at home or on the move.

"Ok Josh, Pull up the backyard camera"

"Ok Josh, Show me the puppy camera"

MOTION SENSORS

Leverage Lutron motion sensors to proactively automate Josh scenes.

Intelligently set the stage in your living spaces with various devices, conditional logic, and more.

"Ok Josh, create a scene that set the hallway lights to 20% brightness if motion is detected between 12am and 5am."
